**Re: Request for Review of Information
237-261 North 9th Street
Brooklyn, New York, 11211
Langan Project No. 170316901**

To Whom It May Concern:

Langan Engineering, Environmental, Surveying and Landscape Architecture D.P.C. (Langan) is currently conducting a Phase I Environmental Assessment for the above referenced site. As part of the assessment, we are requesting records for the site listed above. Please consider this a formal Freedom of Information Law (FOIL) request for information on all records maintained by your building, construction, planning, tax assessment, health, fire, and police department records and any other offices, bureaus, divisions, agencies, or departments of your municipality that maintain property records. These records may include property cards, building records, health department environmental records, violations, underground storage tanks (UST), leaking underground storage tanks (LUST), spills, monitoring wells, asbestos abatement and any other environmental reports that the township may have.

The subject site is located at 237 to 261 North 9th Street in the Williamsburg neighborhood of Brooklyn, New York and is identified as Block 2307, Lots 27, 33, 36 and 38 on the New York City Tax Map. The Subject Property is approximately 38,600-square feet and is bound by North 9th Street to the south, Roebling Street to the west, and multiple-story residential buildings to the north and east. We are requesting any additional information you have about the property listed above.

Please contact me at 203-784-3049 ext. 3049 regarding any questions or fax a formal response to my attention to (203) 789-6142. If any records are found, I would prefer to inspect them in person before any reproductions are made and would like to schedule an appointment to do so as soon as possible. Thank you in advance for your assistance.

Sincerely,

**Langan Engineering, Environmental, Surveying and
Landscape Architecture, D.P.C.**

Justin Hall
Staff Scientist
